

Monthly government records across the study period

January 1988 to 21 September 2026 | One bar per month | Stacked genres; shared count scale

Policy records Written answers Written statements No records in any of the three genres

Counts use the current stored publication date. GOV.UK page dates may differ from original policy publication dates; historical date review is pending.

Shading marks zero stored records, not proof of no historical publications. September 2026 is partial; October–December 2026 are outside the cutoff.
