

Government corpus coverage over time

1988-01 to 2026-09-21 | Evidence state, not document volume or UK-government-wide coverage

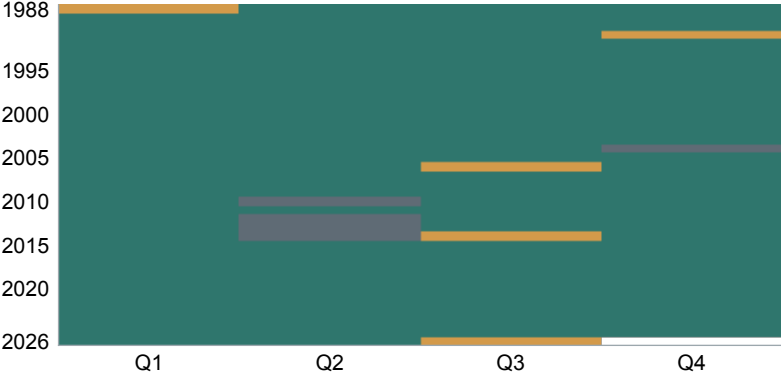

a Policy records · quarter overview

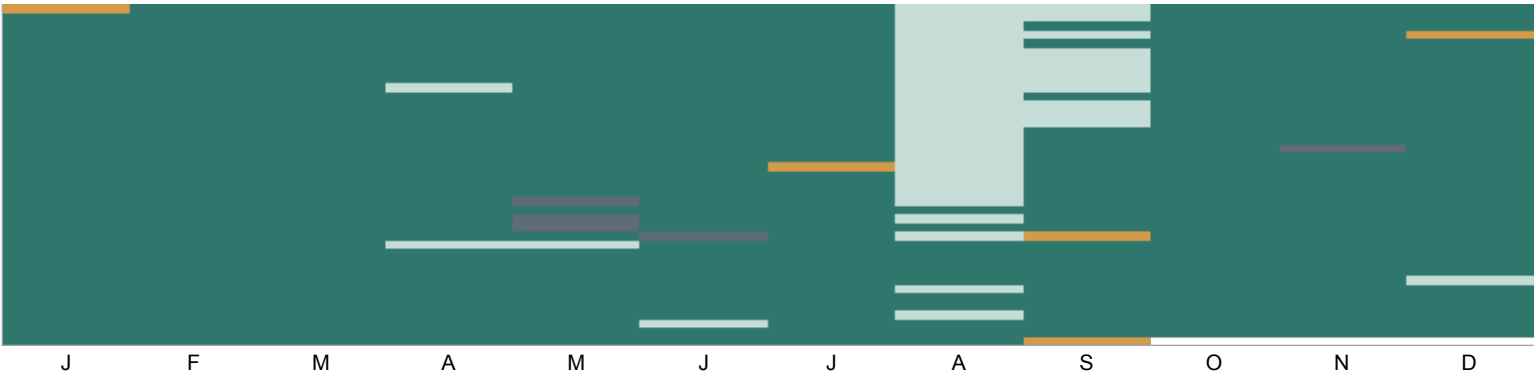

b Policy records · monthly evidence

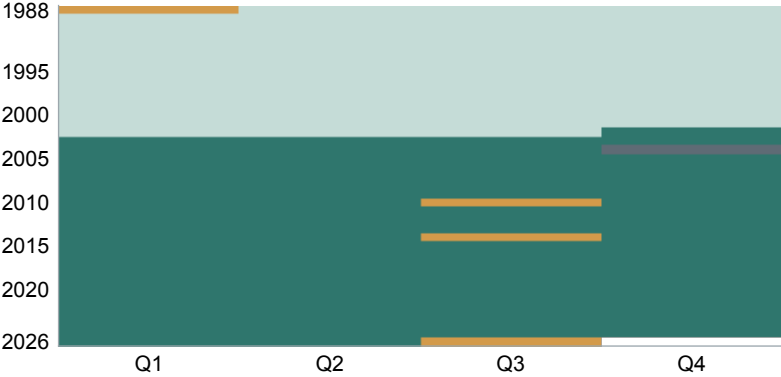

c Written answers · quarter overview

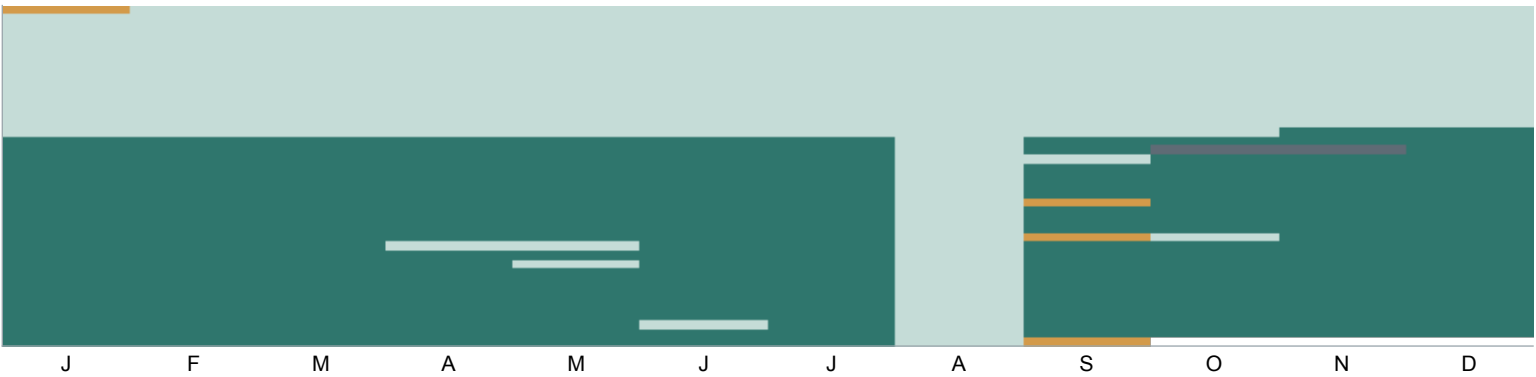

d Written answers · monthly evidence

e Written statements · quarter overview

f Written statements · monthly evidence

Quarter status uses the worst monthly evidence state. The early-policy denominator remains unknown; 1990-09 is a known target blocked at full-text access.

Verified zero applies only to the enumerated source scope. September 2026 is partial at the cutoff.

Access / original blocked Denominator unknown Known target not requested Partial / bounded exclusion Verified route complete Verified scope; zero records
