

Monthly government records across the study period

January 1988 to 21 September 2026 | One bar per month | Research-date view

Policy records Written answers Written statements No records in any of the three genres

Research-date view remaps 3 reviewed policy originals to verified publication months. Two year-only policy dates are withheld from exact-month counts.

Shading marks zero observed records, not proof of no historical publications. September 2026 is partial; October–December 2026 are outside the cutoff.
